	Donation	£.....
	Total Payment	£

Damage to the green – the club bye laws refer to not dropping bowls

- Not standing on the edge of the green
- Ensuring bowls are not bounced or driven downwards on delivery
- Club coaches have a mandate to approach persistent offenders and to offer training to eliminate risk of damage to the green

Should such advice/training be refused then the coach will advise the Club Secretary who will ban the bowler from further use of the green until the coach is satisfied the bye law will be complied with.
