Damage to the green – the club bye laws refer to not dropping bowls

- Not standing on the edge of the green
- Ensuring bowls are not bounced or driven downwards on delivery
- Club coaches have a mandate to approach persistent offenders and to offer training to eliminate risk of damage to the green

Should such advice/training be refused then the coach will advise the Club Secretary who will ban the bowler from further use of the green until the coach is satisfied the bye law will be complied with.

Please note:

Your nominated partner in the Mixed Pairs will pay their own fee. All other competitions are drawn partners and players.

Rules to make Note of:

The closing date of all rounds shall be fixed and adhered to.

The first named person shall be the Challenger and must offer 3 dates within one week of the closing date of the previous round.

Any problems should be notified to the Ladies/Mens Captain within 7-days of closing date.
